Springtime, the acacias are bloomin',
Southern California will see one more day,
Dreamland, and business is boomin'
the birds are a-singin' as I drift away

She looks, another year older,
from too many lovers who used her and ran,
But some nights, oh she looks like an angel,
and she's always willing to hold you again

So give her this dance, she can't be forsaken,
Learn how to love her, with all of her faults,
She gave, more than she's taken,
and I'll go down doin' the Hollywood waltz

Spring time, and the lady is grievin',
the lovers just stand there with nothing to say,
They got what they wanted, they're packin' and leavin',
to look for another to love the same way

So give her this dance, she can't be forsaken,
Learn how to love her, with all of her faults,
She gave, more than she's taken,
and I'll go down doin' the Hollywood waltz
the Hollywood waltz, the Hollywood waltz
the Hollywood waltz, the Hollywood waltz
