

# Howl At The Moon

Cheryl Wheeler 4/4 T=103

V1 If I Were Maybe A Wolf Or A Dog I Wouldn't Have To Speak I Wouldn't Have To Talk,  
Just Eat My Dinner And Go For A Walk And Howl At The Moon

V2 And If I Were Layin' There Just Like You All Curled Up The Way Dogs Do,  
I'd Dream That Dream That You're Dreamin' Too, And Howl At The Moon  
Howl At The Moon, Howl At The Moon

V3 If I Could Carry Your Black And White, Sleep So Sound Wake So Nice  
I Keep Real Close To My Own Advice And Howl At The Moon

Br Oh You Know Something I Don't Know, You Go Places I Can't Go,  
You Lift Your Head When The Breezes Blow To Voices Older Than Time

V4 I'll Keep You Close Oh I Like You Near, I'll Touch Your Head And Pull Your Ear,  
And Watch You Restin' While I Sit Here And Howl At The Moon  
Howl At The Moon, Howl At The Moon, Howl At The Moon,  
I'll Watch You Resting While I Sit Here And Howl At The Moon
