

## Moondance

Van Morrison / Key: Am7 (Capo 0, Play Am) T=134

Well it's a marvelous night for a moondance,  
With the stars up above in your eyes,  
A fantabulous night to make romance,  
'Neath the cover of October skies

And all the leaves on the trees are falling,  
To the sound of the breezes that blow,  
And I'm trying to please to the calling,  
Of your heart strings that play soft and low

And all the night's magic seems to whisper and hush,  
And all the soft moonlight seems to shine in your blush

Can I just have one more moondance with you, my love,  
Can I just make some more romance with you, my love

Well I want to make love to you tonight,  
I can't wait 'til the morning has come,  
And I know now the time is just right,  
And straight into my arms you will run

And when you come my heart will be waiting,  
To make sure that you're never alone,  
There and then all my dreams will come true dear,  
There and then I will make you my own

And every time I touch you, you just tremble inside,  
And I know how much you want me that you can't hide

Can I just have one more moondance with you, my love  
Can I just make some more romance with you, my love
