

Old Tennessee

Dan Fogelberg / Key: D $\frac{3}{4}$ T=141

End Of October The Sleepy Brown Woods Seem To,
Nod Down Their Heads To The Winter,
Yellows And Grays Paint The Sad Skies Today,
And I Wonder When You're Coming Home

Woke Up One Mornin' The Wind Thru The Window,
Reminded Me Winter Was Just Round The Bend,
Somehow I Just Didn't See It Was Coming,
It Took Me By Surprise Again

Ch: And I Hear You're In San Francisco,
Livin' With Your Sister Who's A Mother To Be,
And Her Husband's Way Down In Georgia,
And I'm Still In Old Tennessee,
Wishing You'd Come Home To Me

Life Here Is Easy I'm Sure You Recall,
How It's So Warm And Breezy In The Summer And The Fall,
But Winter's Upon Me And I've Got No Heat Here,
And I Miss You Fire So Sweet Dear I Miss Your Fire So Sweet,

Chorus

End Of October The Sleepy Brown Woods Seem To ,
Nod Down Their Heads To The Winter,
Yellows And Grays Paint The Sad Skies Today,
And I Wonder When You're Coming Home,
I Wonder When You're Coming Home,
I Wonder When You're Coming Home
