

# Three Little Birds

06Nov2024

Bob Marley / Key: F (Capo 1, Play E) T=148

                  E                  E  
Ch: Don't worry about a thing,  
                  A                                  E  
'Cause every little thing gonna be alright,  
                                  E                                  E  
Singing' don't worry about a thing,  
                  A                                  A                  E  
'Cause every little thing gonna be alright

                                  E                                  B  
V: Rise up this mornin', Smiled with the risin' sun,  
                                  E                                  A  
Three little birds, Pitch by my doorstep,  
                                  E                                  B  
Singin' sweet songs, Of melodies pure and true,  
                                  A                                  E  
Saying'... this is my message to you
