Cho:  And even if time aint really on my side,
      C-                 Gdim7-           G-      E7-
      It's one of those days for takin' a walk outside
      C-               Gdim7-          G-           E7-
      I'm blowin' the day to take a walk in the sun,
      A7                                      D7
      And fall on my face on somebody's new-mowed lawn

V2:   I've been having a sweet dream,
      I've been dreaming since I woke up today,
      It's starring you in my sweet dream,
      Cause you're the one that makes me feel this way

C2:   And even if time is passing me by a lot,
      I couldn't care less about the dues you say I've got,
      Tomorrow I'll pay the dues for dropping my load,
      A pie in the face for bein' a sleep bulldog … Whistle verse

C3:   And you can be sure that if you're feeling right,
      A daydream will last you long into the night,
      Tomorrow at breakfast you may prick up your ears,
      Or you may be daydreamin for a thousand years

V3:   What a day for a daydream, custom made for a daydreamin boy,
      Now I'm lost in daydream, dreamin 'bout my bundle of joy
      Whistle chorus
      G-       E7-       Am7-   D7-     G
      What a day for a daydream with you      Gdim7 = X1202X
