

Fix You

Coldplay / Key: G (Capo 3, Play E) T = 78

Int: 1 3m 6m 5 - twice

V1: When you try your best, but you don't succeed,
When you get what you want, but not what you need,
When you feel so tired, but you can't sleep,
Stuck in reverse

V2: And the tears come streaming down your face,
When you lose something you can't replace,
When you love someone, but it goes to waste
Could it be worse?

Ch: Lights will guide you home, and ignite your bones
And I will try to fix you

V3: And high up above or down below
When you're too in love to let it go
But if you never try you'll never know
Just what you're worth
