You've Got a Friend

Carole King / Key: C T=98

In: C F F- C- C- G/b

```
                    Am          E7                    Am-          E7-       Am
V1  When you're down and troubled , And you need some love and care
          F         Dm7               C  C  Bm                      E7
    And nothing, nothing is going right, Close your eyes and think of me
        Am-   E7-      Am          F            Em                   Dm7  G7
    And soon I will be there to brighten up even your darkest night

                C           Cmaj7               F                Dm
Cho: You just call out my name and you know wherever I am
                C     C                 Dm7  G7
    I'll come runnin'  to see you again
     C                              Cmaj7  F                        Am
    Winter, spring, summer or fall     all you have to do is call
           F-    Em- Dm7                      C   F F- G- G- G/b-
    And I'll be there          You've got a friend

V2: If the sky above you grows dark and full of clouds,
    And that old north wind should begin to blow,
    Keep your head together and call my name out loud,
    Soon you'll hear me knockin' at your door  ... Repeat Chorus

          Bb                          F
Br: Hey ain't it good to know that you've got a friend?
            C                  Cmaj7           F                Dm
    When people can be so cold,   They'll hurt you and desert you,
       Am                       D                 Dm7                G7
    And take your soul if you let them, Oh but don't you let them

    Repeat Chorus        F                 C       F                D
                                 You've got a friend   You've got a friend
```
