In: C G F G C G F G

 C G F G
V1: Galileo's head was on the block,
 C G F G
The crime was looking up the truth,
 C G F G
And as the bombshells of my daily fears explode,
 Am Em F G
I try to trace them to my youth

V2: And then you had to bring up reincarnation,
Over a couple of beers the other night,
An' now I'm serving time for mistakes,
Made by another in another lifetime

 C G F G
C1: How long 'til my soul gets it right?
 C G F G
Can any human being ever reach that kind of light?
 Am Em D
I call on the resting soul of Galileo,
 F G [1: C G F G] [2: C C]
King of night vision, king of insight

V3: And then I think about my fear of motion,
Which I never could explain,
Some other fool across the ocean, years ago,
Must have crashed his little airplane

Repeat chorus

Am Am F F*=004430
Br: I'm not making a joke,
F F* F* F F
You know me, I take everything so seriously,
Am Am F F
If we wait for the time 'til all souls get it right,
G F G F
Then at least I know there'll be no nuclear annihilation,
C G F G C G F G
In my lifetime ... I'm still not right...

V4: I offer thanks to those before me,
That's all I've got to say,
Cause maybe you squandered big bucks in your lifetime,
Now I have to pay!

V5: But then again it feels like some sort of inspiration,
To let the next life off the hook,
Or she'll say: "look what I had to overcome from my last life,
I think I'll write a book!"

Ch: How long till my soul gets it right? (My soul gets it right)
Can any human being ever reach the highest light
Except for the resting soul of Galileo
(Galileo... God bless your soul)
King of night vision, king of insight?
How long? ('til my soul gets it right) 3x
How long?
