

Peach Cocktail

The delish peach cocktail is: 3 slices fresh peaches peeled, 3/4 ounce ginger syrup, 2 ounces bourbon, 1/2 ounce freshly squeezed lemon juice (I use bottled), 2 dashes peach bitters , 1 ounce prosecco.

In a cocktail shaker add the peaches and 1/3 of the ginger syrup. Muddle this. Add the remaining syrup, the bourbon, lemon juice and peach bitters . Shake 15 seconds. Strain into ice filled rocks glass. Top with prosecco.

Ginger syrup: 1 C water , 1 C sugar, 3/4 C peeled chopped fresh ginger root.

In small saucepan combine all ingredients. Heat, stirring often until sugar is dissolved and simmer for 30 minutes. Remove from heat and strain the ginger.

Cool in container in refrigerator, it will keep for 2 weeks.
