V1: All my bags are packed, I'm ready to go,
          A                    D
    I'm standing here outside the door
     A                  F#m                  E   E
    I hate to wake you up to say goodbye
            A                        D
    But the dawn is breakin', it's early morn',
          A                      D
    The taxi's waitin', he's blowin' his horn
      A               F#m                  E   E
    Already I'm so lonesome I could cry

         A                D              A                    D
Cho: So kiss me and smile for me, Tell me that you'll wait for me,
     A                    Bm             E   E
    Hold me like you never let me go
                  A      D                  A                        D
    Cause I'm leavin on a jet plane, _ I don't know when I'll be back again
    A    Bm              E E E E7
    Oh babe, I hate to go

V2: There's so many times I've let you down, so many times I've played around,
    I tell you now, they don't mean a thing,
    Every place I go I'll think of you, every song I sing I sing for you,
    When I come back, I'll wear your wedding ring

V3: Now the time has come to leave you, one more time let me kiss you,
    Then close your eyes, I'll be on my way,
    Dream about the days to come, when I won't have to leave alone,
    About the times I won't have to say
```
