Pack Up Your Sorrows

Key: Eb (Capo 3, Play C)

```
          C                                F
Cho:  Well If Somehow You Could Pack Up Your Sorrows
      C                          G
      And Give Them All To Me
      C                               F
      You Would Lose Them, I Know How To Use Them
      C              G       C
      Give Them All To Me
```

Repeat Chorus

V1 No Use Crying Talking To A Stranger
Naming The Sorrows You've Seen
(Oh Cause There's) Too Many Bad Times, Too Many Sad Times
And Nobody Knows What You Mean… Chorus

V2 No Use Ramblin', Walking In The Shadows
Trailing A Wandering Star
(Well There's) No One Beside You, No One To Hide You
And Nobody Knows Where You Are… Ah, But If... Chorus

V3 No Use Roamin', Walking By That Roadside
Seeking A Satisfied Mind
(Ah, Cause There's) Too Many Highways and Too Many Byways
And Nobody Walking Behind… Oh, But If... Repeat Chorus

Repeat Chorus in parts … *then softly:*
You would lose them, I know how to use them, give them all to me

Luke: melody & lead on V1
Paul: 3rd harmony & lead on V2
